

Name _____

State goal: 15.B.5b, 14.E.5, 16.B.5c

Poster Rubric

Score	Creativity	Relevance	Presentation
5	Project is unique with a clear diversity of info. Poster is well done and is appealing to the eye	All facts connected to information and lesson. Clearly getting the point across.	Speech is given clearly and gets points across showing a strong knowing of the material
3	Colorful but lacking in creativity. The title is clear but the information lacks creativity in its presentation.	Some points not connected, students seem to have a general grasp of concepts but aren't connecting the dots.	Speech is well done but is unorganized and is lacking in a clear understanding of the material
1	Little to no color or interest and shows little of creativity.	Random facts not connected to subject matter at all	Speech is given poorly with little to no understand of the material

Final score: _____

The main goal of this poster is a recap on what the class learned this week, this project is suppose to be broad to help the student creative ability and not be totally structured project.
